ALARMS

SECTION:

- 3-13-1: PURPOSE
- 3-13-2: DEFINITIONS
- 3-13-3: FEES, CORRECTIVE ACTION, NO RESPONSE LIST
- 3-13-4: PAYMENT OF FEES
- 3-13-5: DUTIES OF SECURITY ALARM USERS
- 3-13-6: DELIBERATE FALSE ALARMS
- 3-13-7: CONFIDENTIALITY
- 3-13-8: POLICE DISPATCH CENTER
- 3-13-9: EXCEPTIONS
- 3-13-10: ENFORCEMENT AND PENALTIES

3-13-1: **PURPOSE:** The City's Police Department has no obligation to respond to private alarms, they do so only as a public service. The alarms can serve a beneficial function to those who chose to install them in their business or residences. This benefit must be balanced against the costs incurred by the City as a result of false alarms. The intent of this ordinance is to reduce the number of false alarms occurring within the City and the resultant waste of City resources by providing for corrective administrative action, including fees, listing for no emergency response to alarms and criminal penalties for violations.

3-13-2: **DEFINITIONS:** For purposes of this ordinance, the following words and phrases shall have the meanings respectively ascribed to them by this section:

ALARM SYSTEM: Any device or system which transmits a signal visibly, audibly, electronically, mechanically or by a combination of these methods which indicates a hazard or occurrence requiring urgent attention and to which police are expected to respond. Alarm system shall not include personal, direct telephone call requesting emergency services from a person at the premises in question. Automobile alarm devices shall not be considered an alarm system under the terms of this ordinance.

ALARM USER: The person, firm, partnership, association, corporation, company or organization of any kind in control of any building, structure, or facility wherein an alarm system is maintained.

POLICE DISPATCH CENTER: The facility used to receive emergency requests for service and general information from the public to be dispatched to Police patrol units.

INDIRECT ALARM TRANSMITTAL: Any security alarm system which does not directly terminate in the Police dispatch center, but which causes a third party, answering services or central station to notify the Police dispatch center of the alarm activation.

FALSE ALARM: An alarm signal eliciting a response by Police personnel when a situation requiring a response does not, in fact, exist and which is caused by the activation of the alarm system through mechanical failure, alarm malfunction, improper installation or the inadvertence of the owner or lessee of an alarm system or of his/her employees or agents. False alarms do not include

alarms caused by climatic conditions or as tornadoes, thunderstorms, utility line mishaps, violent conditions of nature or any other conditions which are clearly beyond the control of the alarm manufacturer, installer or owner.

AUTOMATIC DIALING DEVICE: A device, which is interconnected to a telephone line and is programmed to select a predetermined telephone number and transmit by voice message or code signal an emergency message indicating a need for emergency response.

3-13-3: FEES, CORRECTIVE ACTION, NO RESPONSE LIST: For police response to any false alarm, the City shall charge and collect from the alarm user such fees according to the City fee schedule. During a one-year period of time, commencing with the first response, the following police response and penalty structure will apply:

- A. For response to premises, at which no other false alarm has occurred within the preceding one-year period, hereinafter referred to as a "first response," no civil penalty shall be charged. Upon first response, notice of conditions and requirements of this chapter shall be given to the alarm user or occupant of the premises on which the false alarm occurred and upon which the alarm system is located.
- B. For additional responses to the premises a civil penalty according to the City fee schedule shall be charged. The alarm user shall, within thirty (30) days after notice to do so, make a written report to the Chief of Police, or his/her designee, setting forth:
 - 1. The cause for such false alarm;
 - 2. The corrective action taken;
 - 3. Whether and when such alarm has been inspected by authorized service personnel;
 - 4. Such other information as the Chief of Police, or his/her designee, may reasonably require to determine the cause of such false alarm, and any mitigating circumstances and corrective action necessary.

Any alarm user which is required by the Police Department to pay a user fee as the result of a false alarm or alarms may make a written appeal of the false alarm charge to the Chief of Police, or his/her designee, within thirty (30) days of the notice by the Police Department of the false alarm charge. Following review and determination by the Chief of Police, or his/her designee, such decision may be appealed to the City Administrator who will have the authority to make a final determination as to whether the appellant is to be charged with a false alarm or alarms.

3-13-4: PAYMENT OF FEES: Payment of penalties provided for under Section 3-13-3 must be paid to the Chief of Police or his/her designee within 30 days from the date of the notice by the City to alarm user. Failure to pay the penalty within 30 days' notice will cause the alarm user to be considered delinquent and subject to a late penalty equal to the original user fee.

If the alarm user fails to provide the information required in Section 3-13-3, Subsection B within the prescribed time or fails to pay the penalty together with any late fee within 60 days from the date of notice by the City to alarm user, the Police Department will inform the alarm user that **THE POLICE DEPARTMENT WILL NO LONGER RESPOND TO THEIR ALARM SYSTEM.** The "restricted response" status will last until all information has been provided and penalties and late fees have been paid.

3-13-5: DUTIES OF SECURITY ALARM USERS: It shall be the responsibility of the security alarm users to instruct employees or others who may have occasion to activate an alarm that alarms systems are to be used in emergency situations to summon an immediate police response. Alarm users shall also instruct appropriate employees as to the operation of the alarm system, including setting, activation and resetting of the alarm. All instructions pertaining to alarm systems and procedures shall be in written form, suitable for distribution to employees. The user shall be responsible for maintaining the

alarm system in proper working order.

3-13-6: **DELIBERATE FALSE ALARMS:** It shall be unlawful for any person to deliberately and without just cause activate an alarm system to summon the police in a non-emergency situation. Nothing herein contained shall apply to the periodic testing of direct transmittal alarms when sufficient notice is given to the Police Dispatch Center.

3-13-7: **CONFIDENTIALITY:** All information submitted in compliance with this ordinance shall be held in confidence and shall be deemed a confidential record exempt from discovery to the extent permitted by law. Subject to requirements of confidentiality, the Chief of Police, or his/her designee, may develop and maintain statistics for the purpose of ongoing alarm system evaluation.

3-13-8: **POLICE DISPATCH CENTER:** No alarm user shall install, maintain or operate automatic dialing devices which are set or programmed to directly dial, activate, call or in any other manner make direct contact with any emergency telephone line or radio circuit of the Police Dispatch Center.

3-13-9: **EXCEPTIONS:** The penalties of this ordinance shall not be applied to any alarm system used, operated or installed in any premises or place owned, leased, occupied or under the control of the United States Government, the State or any of its political subdivisions, including the counties and school districts in which the City is located together with any officer, agent or employee of the aforesaid governmental agencies while acting or employed in their official capacity.

3-13-10: **ENFORCEMENT AND PENALTIES:** Failure or omission to comply with section 3-13-6 or 3-13-8 of this ordinance shall be deemed a misdemeanor.
